

# SOCIAL DISTANCING & SAFETY PROCEDURES

OUR GOAL: To provide a sustainably safe & healthy space for our staff and customers to create & paint while also adhering to state and federal guidelines regarding the COVID-19 Pandemic.

## GUIDELINES FOR ACHIEVING OUR GOAL:

- All staff AND customers over age 2 will wear a mask at all times while in the studio.
- All customers will wash their hands upon arrival. Staff will wash hands often, especially after direct customer contact.
- All staff and customers will maintain 6 feet of distance from each other as much as possible. Tables will be at least 6 feet apart.
- No food will be permitted in the studio. If drinks are brought in, they must be taken with you or disposed of.
- Only ONE non-painting guest per family/group/table will be allowed
- High traffic areas will be disinfected often. All areas of customer contact (tables, chairs, brushes, etc) will be disinfected once a customer has left.
- We will keep our studio capacity to 25 people (including staff), in accordance with state mandates
